1. Col. Bicknell opened the meeting by explaining that Lt. Col. George of WIB, AAF had found that it was not practical nor would he favor changes being made in his Chapter without proper coordination with his section. The problem was discussed with the result that Dr. Jacobs agreed to send Mr. Sauer to JISPB to work with Dr. Meigs on the final editing of Chapter IV of JANIS 157. Lt. Col. George gave Mr. Sauer complete authority for approval of manuscript. It was estimated that one week would be required to edit this Chapter.

2. Lt. Col. George indicated that it was not within the premises of the Weather Inf. Branch, AAF, to evaluate the conditions for fleet movements, chemical warfare, etc.

3. The report in response to the J.T.S. letter of 22 February referred to in the minutes of the 44th Meeting was revised. The revised report was prepared and transmitted by messenger to the Secretary of J.T.S. at 1300 February 28, 1944. The report referred to above was discussed at the joint meeting of the J.T.S. and JISPB, held at 1430 February 28, 1944.

Meeting was adjourned.
